

Childminder Sickness Policy

I know that as a working parent, you require a childminder who is reliable. I will endeavour to work on all the days that I am contracted to. I am happy to work when I have minor ailments such as colds etc, however I will not work if I have sickness or diarrhoea or any other highly contagious infection. Continuing to work would only result in a further spreading of the germs and I would be unable to give your child the care they deserve.

I would of course give you as much notice as is possible to let you know I am unable to care for your child so you can arrange alternative care. I would also give you regular updates on my health and let you know when I am likely to be able to care for your child again.

In an emergency where you are unable to find a suitable replacement cover we could contact my emergency care contact to see if she is able to provide care on this day. This would be dependent on how many of her own minded children she is looking after on that particular day.

Registered Childminder: Nicola Wheeler
Contact Number: 07535112302

I do not charge if I am unable to work through illness and the above-mentioned childminders will charge you at our agreed rate for the day(s) they cover.
